

Project Information										Financial Summary										Operational Data										Performance Metrics										Compliance & Audit									
Project Name					Project ID					Total Budget					Actual Spend					Revenue					Profit					Risk Level					Audit Status														
Project Details					Financial Data					Operational Data					Performance Data					Compliance Data																													
Project A					1000000					850000					1200000					350000					Low					Pass																			
Project B					1500000					1200000					1800000					600000					Medium					Pass																			
Project C					2000000					1800000					2500000					700000					High					Fail																			
Project D					2500000					2200000					3000000					800000					Medium					Pass																			
Project E					3000000					2800000					3500000					700000					Low					Pass																			
Project F					3500000					3200000					4000000					800000					Medium					Pass																			
Project G					4000000					3800000					4500000					700000					High					Fail																			
Project H					4500000					4200000					5000000					800000					Medium					Pass																			
Project I					5000000					4800000					5500000					700000					Low					Pass																			
Project J					5500000					5200000					6000000					800000					Medium					Pass																			
Project K					6000000					5800000					6500000					700000					High					Fail																			
Project L					6500000					6200000					7000000					800000					Medium					Pass																			
Project M					7000000					6800000					7500000					700000					Low					Pass																			
Project N					7500000					7200000					8000000					800000					Medium					Pass																			
Project O					8000000					7800000					8500000					700000					High					Fail																			
Project P					8500000					8200000					9000000					800000					Medium					Pass																			
Project Q					9000000					8800000					9500000					700000					Low					Pass																			
Project R					9500000					9200000					10000000					800000					Medium					Pass																			
Project S					10000000					9800000					10500000					700000					High					Fail																			
Project T					10500000					10200000					11000000					800000					Medium					Pass																			
Project U					11000000					10800000					11500000					700000					Low					Pass																			
Project V					11500000					11200000					12000000					800000					Medium					Pass																			
Project W					12000000					11800000					12500000					700000					High					Fail																			
Project X					12500000					12200000					13000000					800000					Medium					Pass																			
Project Y					13000000					12800000					13500000					700000					Low					Pass																			
Project Z					13500000					13200000					14000000					800000					Medium					Pass																			
Project AA					14000000					13800000					14500000					700000					High					Fail																			
Project AB					14500000					14200000					15000000					800000					Medium					Pass																			
Project AC					15000000					14800000					15500000					700000					Low					Pass																			
Project AD					15500000					15200000					16000000					800000					Medium					Pass																			
Project AE					16000000					15800000					16500000					700000					High					Fail																			
Project AF					16500000					16200000					17000000					800000					Medium					Pass																			
Project AG					17000000					16800000					17500000					700000					Low					Pass																			
Project AH					17500000					17200000					18000000					800000					Medium					Pass																			
Project AI					18000000					17800000					18500000					700000					High					Fail																			
Project AJ					18500000					18200000					19000000					800000					Medium					Pass																			
Project AK					19000000					18800000					19500000					700000					Low					Pass																			
Project AL					19500000					19200000					20000000					800000					Medium					Pass
